With LiveHealth Online, you get:

- Immediate doctor visits through live video.
- Your choice of U.S. board-certified doctors.
- Private, secure and convenient online visits.
- Help at a cost that is same as your office visit copay or \$49 per visit, subject to deductible and coinsurance, depending on your health plan benefits.

New! LiveHealth Online can save you money

And, new for 2017, LiveHealth Online has gotten better because we're now reducing member cost shares for several of our plans when members use a LiveHealth Online provider instead of visiting their PCP. Members enrolled in a health care plan that requires at least a \$15 copay for visiting their PCP will now pay less when alternatively seeking care from LiveHealth Online. Of course, it's important that members make the health care decisions that are right at the time and for their particular situation. LiveHealth Online just gives you one more option.
