July 27, 2018

The meeting was called to order at 9:00 A.M. Present were Chairman Dr. Roger Omwake, Vice-Chair Marcia Fields, Secretary Nancy Drury Duncan and Registrar Patricia White.

The first order of business was a discussion of the ballot orders for the November election. A motion was made by Secretary Duncan to order the number of ballots as suggested by Ms. White. She noted that more could be ordered if it appeared that voting would be heavier than anticipated. The motion was seconded by Ms. Fields and passed unanimously.

A discussion ensued about the untimely death of the Commissioner of the Revenue and Ms. White said there would likely be a special election to fulfil her term concurrent with the November election.
