Accomack County Registrar's Office

Members present: Mrs. Rogers, Ms. Olsen, Dr. Omwake and Registrar/Director of Elections Ms. Shrieves

At 12:07 PM Chair Olsen called to order the Canvas Meeting for the June 21, 2022 Republican 2nd Congressional primary election. As there were no provisional ballots to consider the Board did not have to go into executive session for a provisional meeting. Members shared a few antidotes about their previous days experiences. It was noted the turnout was only 7.8% but it did exceed the 2nd congressional average of 7.33%. The canvas consisted of the Board going precinct by precinct examining and confirming the previous day's numbers. This also included the Early Vote and the Central Absentee Precinct numbers. Ms. Shrieves confirmed the numbers she had collected verbally election night with the Board's numbers. No errors ^{were} discovered by either the Board or the Registrar. The Board scheduled their next regular meeting July 26, 2022 2PM at the Registrar's office. Chair Olsen recessed the meeting until 1PM June 24, 2022.

At 1:02 PM June 24, 2022 Chair Olsen reconvened the canvas meeting. The results of the 2 late arriving absentee votes were added to the official results of the June 22nd meeting. The official results are both recorded on the ELECT website and posted in the Registrar's office for public view. After a discussion Dr. Omwake moved: I move to pay each CAP election officer \$156.00 for their service. 2nd Ms. Olsen Passed by unanimous voice vote.
