### **Presentation from Howard Collins, Waller Todd and Sadler Architects, Inc. – Space Needs**

Mr. Howard Collins from Waller Todd and Sadler Architects, Inc. gave a power point presentation concerning the space needs analysis for Accomack County. Mr. Collins spoke on the first option for space which was the former Atlantic Publications Building for the School Administration program requirements and he gave statistics on the usable space and non-usable space. Mr. Collins responded to questions from the board members. Another option that was discussed was the Accomack Primary School. Mr. Waller stated the building would house School Administration, Parks and Recreation, Public Safety/Emergency Management, and Public Works. Mr. Collins stated the County Administration Building would house the Planning and Commonwealth Attorney/Victim Witness Assistance as well as Administration. A discussion ensued on the floor plans of the Accomack Primary School and Administration Building. Mr. Collins gave a comparison of renovating the Accomack Primary School Building verses new construction. Mr. Collins gave cost of the renovation and expansion of the Health Department and the Sheriff Department.

Mrs. Thornton requested the County Administrator to check and find out what the dollar amount would be to connect the Atlantic Publications Building and the Accomack Primary School on the sewer system. Mr. Crockett stated he would like Mr. Miner to obtain more information concerning the possibility of new construction and renovation at the Accomack Primary site. Mr. Crockett continued and stated all County services should be located all in one building. Mr. Crockett continued and stated that the Administration Building needs space and to

plan the building to house all the school administration and also the Commonwealth's Attorney's Office would remain in the Administration Building so they would be closer to the Court system.

Mr. Crockett made a motion to remove the Atlantic Publication Building from further considerations. Mr. Gray seconded the motion. The motion was approved with Mrs. Gordy absent.

**Adjournment**

Ms. Lewis made a motion to recess the meeting until 6:30 at the Eastern Shore Community College. Mr. Wolff seconded the motion. The motion passed. The meeting adjourned at 6:00 p.m.
