STATEMENT FOR USE OF FARM BUILDING

A Farm Building means a structure located on a farm utilized for the storage, handling or production of agricultural, horticultural and floricultural is one that is NOT used for residential purposes, it is located on the property where farming operations take place, and will be used primarily for any of the following uses or combinations thereof:

1. Storage, handling, production, display, sampling or sale of agricultural, horticultural, floricultural or silvicultural products produced on the farm;
2. Sheltering, raising, handling, processing or sale of agricultural animals, or agricultural animal products;
3. Business or office uses relating to the farm operations;
4. Use of farm machinery or equipment, or maintenance or storage of vehicles, machinery or equipment of the farm;
5. Storage or use of supplies and materials used on the farm; or
6. Implementation of best management practices associated with farm operations.

The property on which the farm building or structure is located must be in Zoning District A – Agriculture and approved by the Zoning Administrator.

I, _____ certify that the building or structure located on Tax Map Number _____ qualifies as a farm building or structure defined above and will be used in the following manner (please describe):

I understand if the property ownership is transferred or the use changes at any time, this office will be notified.
